The DOSCEL Secretariat and Marist-Sion College implement various measures and procedures to protect the personal information it holds from misuse, interference, loss, unauthorised access, modification or disclosure. These include, but are not limited to, locked storage of paper records, access protocol, password protected computerised records, high level security measures and encryption.

The DOSCEL Secretariat and Marist-Sion College will respond to any incidents which may affect the security of the personal information it holds in accordance with the *Privacy Act 1988* (Cth). If the DOSCEL Secretariat and Marist-Sion College assesses that anyone whose information is affected by such a breach is likely to suffer serious harm as a result, the DOSCEL Secretariat and School will notify the affected individual(s) and the Office of the Australian Information Commissioner (**OAIC**) of the breach.

If you are concerned that the security of your personal information may have been compromised, please notify the DOSCEL Secretariat or the Marist-Sion College immediately so appropriate action can be taken.

7.2 Access and correction of personal information

Under the *Privacy Act 1988* (Cth) and the *Health Records Act 2001* (Vic.), an individual has the right to access personal information which the DOSCEL Secretariat and Marist-Sion College hold about them (subject to certain exceptions) and advise the DOSCEL Secretariat and Schools of any perceived inaccuracy.

Students will generally be able to access and update their personal information through their parent(s), guardian(s) and/or carer(s), but older (mature) students may seek access and correction themselves.

If a student or parent, guardian and/or carer makes a request to access, correct or update any of their or their child's personal information which the DOSCEL Secretariat and Marist-Sion College holds, the request should be directed to the Marist-Sion College in the first instance.

When making a request you may be required to verify your identity and specify what information you are seeking and you may be charged a fee to cover the cost of verifying the application and locating, retrieving, reviewing and copying any material requested. If the information sought is extensive, you will be advised of the likely cost in advance. If the DOSCEL Secretariat and Marist-Sion College cannot provide you with access to that information or does not consider it needs correction, you will be given a written notice explaining the reasons for the refusal of your request.

7.3 Consent and rights of access to the personal information of students

The DOSCEL Secretariat and Marist-Sion College respect every parent(s), guardian (s) and/or carer(s) right to make decisions concerning their child's education.

Generally, any requests for consent and notices in relation to the personal information of a student will be referred to their parent(s), guardian(s) and/or carer(s) and consent given by parent(s), guardian(s) and/or carer(s) will be treated as consent given on behalf of the student, and notice to parent(s), guardian(s) and/or carer(s) will act as notice given to the student.

On occasion access may be denied, for example if the release of the information would have an unreasonable impact on the privacy of others, or it may result in a breach of the DOSCEL Secretariat and/or Marist-Sion College's duty of care or other legal obligations to an employee or student.

At the discretion of the DOSCEL Secretariat and Marist-Sion College, on the request of a student, that student may be given access to their information or may be allowed to give or withhold consent to the use of their personal information, independently of their parent(s), guardian(s) and/or carer(s). Normally this would be done only if the maturity of the student and/or their personal circumstances warrant it.

The DOSCEL Secretariat or Marist-Sion College may be required or authorised under the CISS or FVISS to share information with other ISEs without the knowledge or consent of the relevant student or their parent(s), guardian(s) and/or carer(s). In these circumstances, the DOSCEL Secretariat and Schools will seek the views and wishes of any relevant student and/or family members before sharing their information, where it is safe, reasonable and appropriate to do so.
